

# VIRGINIA NATIONAL CHAMPIONSHIP SERIES

## *Finals Review*

### 18U Girls

Top seeded SOCA claimed its spot in the championship match after beating Virginia Legacy in the semifinals. SOCA will take on third seeded NVSC after they took down second seeded Arlington in a closely contested semifinal match. This championship match should be a great defensive struggle as neither team has allowed a goal against throughout the entire tournament.

They play on Sunday November 5th for the chance to advance to the NCS Eastern Regional Championships this summer.
