

VIRGINIA NATIONAL CHAMPIONSHIP SERIES

Finals Review

19U Boys

The two semi-final matches for the 19U boys age group saw two very close defensive struggles. Braddock Road beat Fredericksburg FC in a 1-0 match and FC Richmond and Loudoun Red had to go to penalty kicks before Loudoun advanced to the finals. This sets up for a great championship match as both teams have only allowed one goal against throughout the tournament.

The two teams will play on Sunday, November 5th for their last chance to advance to the NCS Eastern Region Championships this summer.
