

VYSA parents and players:

If you're looking for an alternative club, for whatever reason, consider Capital Futbol Club (CFC). CFC is a community-based and growing club that sponsors travel-soccer teams from 2008 birth-year players (9+under) through 1998 birth-year players (19+under).

CFC places teams in ODSL, NCSL, and WAGS, with top-level teams playing EDP and Super-Y competition. CFC is a VYSA-member club, and sponsors players in the Virginia ODP district. All CFC coaches hold USSF licenses, up to "A" level, and have experience playing collegiate, club, and professional soccer. If your local club is no longer an option for you, for whatever reason, please consider CFC.
