

FC Dulles is a newly rebranded club to align with US Soccer's Player Development Initiatives, US Youth Soccer's Player Development Model, and to help make a positive impact in a competitive, ever-changing youth soccer landscape.

The FC Dulles Academy provides year-round programming with excellent coaches who teach the 'FCD Way'- a distinct possession style of play supported with a curriculum aligned with US Soccer's Player Development Initiatives in training and game situations.

The FC Dulles Academy will be forming travel teams to play in competitive local leagues for the upcoming 2018-19 season.

Coaches will select players based on skill level, game and spatial awareness, soccer growth mindset, love of the game, mental toughness, and coachability. Players will be placed on appropriate level teams with player development as a first priority.

Tryouts start in mid-May. All candidates must pre-register.
