

U14 girl's travel team for MYS in McLean, VA in Club Champions League II. The team currently has 14 players, but we are actively looking for another player who could primarily play GK at the travel level. There is the potential to play in the field, as well, but the primary focus is GK.

Practices are Wednesday and Friday evenings, the majority of games on Sundays--the team will also participate in 4 tournaments over this autumn and next spring.

Financial aid can be provided.
