

VA National Championship Series Week 1 Spotlight 13U Girls

Six teams in the 13U girls age group begin their State Cup journey this weekend with three play-in games. The winners and remaining 13 teams will play in the round of 16 on April 28. Most of teams this weekend are playing in their inaugural State Cup.

- **Stafford Revolution Blue** will travel to Williamsburg to take on **Virginia Legacy Elite** for what should be a great match. Stafford Revolution were recent semi-finalists in the St. Patty's Day tournament and Virginia Legacy played well in Division 1 of CCL last fall.
- Newcomers **AYSO Arsenal FC** will host **Alexandria 05 Red**. Both teams have fared well in recent tournaments including Alexandria's 1st place finish in the Champions Shootout and AYSO's 2nd place finish in the Virginia Beach Columbus Day Tournament.
- The final 13U girls match-up is **Lee-Mount Vernon Patriots** against **Front Royal Rox Blue**. LMVSC is looking forward to advancing out of the first round where they were knocked out last year. Front Royal Rox are an up and coming team looking to test their skills against the best in the state.
