

WBSC '01G Blue Strikers Girls are a competitive team that still understands that developing a girl's skills should be paired with having fun.

We emphasize a positive reinforcement coaching style focusing on technical development while helping the girls work on improving as individuals and as a team. The WBSC 01G Blue Strikers are currently playing in WAGS Division 1 this spring.

WBSC is a non-profit soccer club and team costs are typically at least 50% less than those of area clubs.

We are seeking dedicated, competitive player(s) with a great work ethic and commitment to the team and the game with a good soccer IQ...any and all positions will be considered.

Practices are held 2-3 days a week during the season. We have an open practice policy and prospective players can join us for a practice at any time.

Please contact the coach, Denny Jungwirth, for more information about the team and to inquire re: tryouts Denny@woodbridgesoccerclub.net or Register for a tryout on-line at www.wbsc01gblue.com
